ALUMNI REUNION 2023

Saturday, December 23rd, 2023

This is a unique opportunity to relive your student days, feel reconnected and inspired. The event program features social events at your departments, inspiring talks by renowned entrepreneurs, tech wizards and public figures, a concert program and special moments to celebrate your most outstanding achievements.

All Amrita campuses will open their doors to welcome alumni and friends back. The event will be live-streamed to engage our global community in more than 20 countries.

GLOBAL AMRITA ALUMNI EVENT - DECEMBER 23, 2023.
BE THERE!!

All Together Now

Friendships that we make in the university helped to shape the person we are today. Unfortunately, it is easy to let these relationships fade away as time passes. Now's your chance to come together and take a trip down a memory lane in a way that is meaningful to you.

Speakers

Dr. Kiran Mazumdar-Shaw
Executive Chairperson, Biocon

Dr. Kiran Mazumdar-Shaw is a first-generation entrepreneur and global business leader with over 4 decades of experience in biotechnology. Fueled by her passion, she started her biotech journey in 1978 from her garage in India. Decades later Biocon grew into India's largest biotechnological company. Under Dr. Kiran's aegis, Biocon delivers on the promise of making medicines accessible and affordable to millions of patients worldwide.

Dr. Maneesha V. Ramesh
Provost, Amrita University

Dr. Maneesha is the Dean of International Programs and School for Sustainable Futures, and the Director & Professor at Amrita Center for Wireless Networks and Applications (AWNAs). Under her guidance, AWNA won the 2023 Averted Disaster Award for its exceptional work in disaster risk management, specifically for integrating landslide early warning technology and community engagement.

Jay Misra
Co-Director, Amrita Center for Sustainable Future

Professor Jay Misra was awarded his MBA by Harvard Business School. He was a charter member of TIE Global, regularly met Bill Gates, Michael Dell, Gordon Moore, and CEO's of largest technology companies in the world. Jay was recruited by George Soros as a Managing Director for his technology investments worldwide.

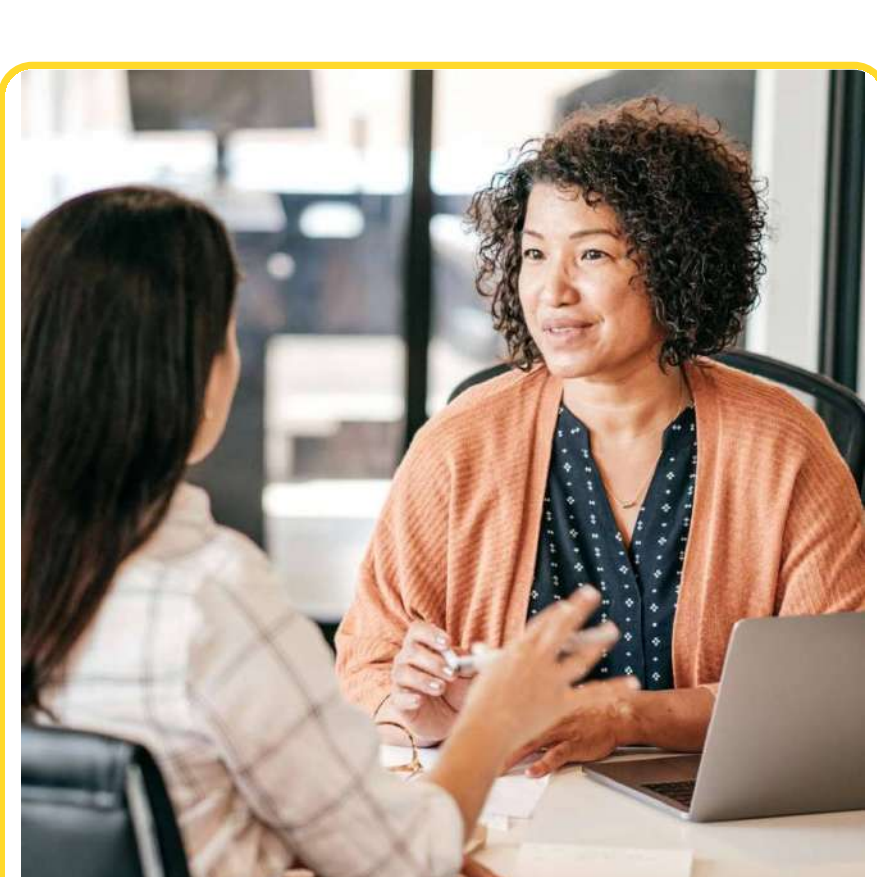

Music

All Amrita campuses will be revitalized by explosive live performances from talented and captivating artists. Between soulful classical music, explosive percussion, mesmerizing pop and rock melodies, we will explore every genre there is. Join us for the concert that transcends the boundaries between music and emotion.

Make a difference

Mentoring

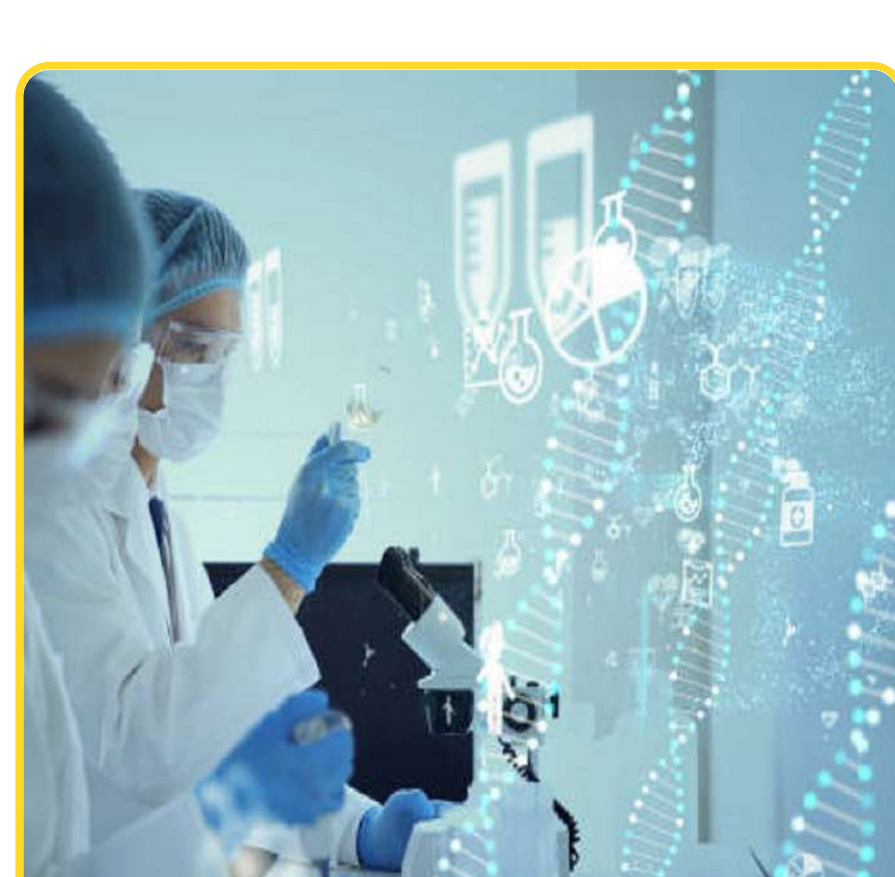

Sometimes a word of advice can be life-changing. You can make an impact by providing crucial guidance and support to someone who is just starting on the path you have already travelled.

Guest Lectures

Your experience and knowledge may be pivotal for talented youth to find their way in life. With Amrita you can help students of all backgrounds learn from the best, increase their career potential and make their dreams come true.

Research Projects with Faculty

Our health, our environment, safety and comfort or our homes - these things genuinely matter for us. Amrita researchers are seeking for solutions to some of the most challenging issues of the present day. And you can be part of that impact.

FREQUENTLY ASKED QUESTIONS

I am curious to know the number of Amrita campuses participating in the meet

As you know, Amrita Alumni are undefined and unstoppable, just like the universe! Alumni of all Amrita campuses are attending the meet from across the globe. Amazed?

I cannot attend the global meet in person . What should I do?

Your friends on Mars who cannot attend the event in person are joining the event online . Jokes apart, we believe it will be super easy for you to join online from anywhere in the world!

I don't want my spouse to miss the fun while I relish the event vibes. Can I bring her/him?

We not only want your spouse to attend the event but also entertain us with her/his talents. Tell them to start practicing with you for the physical event or send a pre-recorded performance video!

I want to know the maximum number of guests that I can bring with me

We are eagerly waiting to meet you and your spouse. Attend together!

I want to know whether my registration is confirmed

Once you have completed your registration, you will get a confirmation by email.

I want to know the dress code for the event

Just be yourself and celebrate the event! There is no dress code.

I want to know the registration deadline

Since you are super-excited, you won't wait till the last date to register for the event. Still, if you couldn't do it early due to your busy schedules, you can register till 23rd December 2023!

I can't wait for any more to register for the event. Guide me!

It's super-easy! Just click on the "Register Now" button on the event page and you will be directed to the registration page. Enter the required information and finish the registration in less than 3 minutes!
